At the April 22, 2004 annual meeting, the Stillwater LWV members present requested that we give each member the opportunity to determine how her/his personal e-mail address would be used by the LWV. Therefore, please indicate your preference:

If you check LOCAL use only, we will use your e-mail to inform you of local events and other items the local board feels would be of interest to you. We do not share this information with other organizations without your consent.

If you check LOCAL & NATIONAL use, we will forward your e-mail address to the LWVUS, where it will be used to send you news from the national headquarters on a more timely basis than the quarterly publication. We are not aware if the national league does or does not share this information with other organizations. However, within the last six months, we have received two notices that there have been unauthorized use of these addresses from LWVUS. If you have anti-spam and virus protection on your computer, this might be of minimal concern.
